

PACIFICA RADIO NETWORK... MEDIA FOR DEMOCRACY

Pacifica gives you all these services...

- Ground-breaking programs including news, public affairs, and culture
- Live in-depth coverage of important national and international events
- Access to Pacifica Radio Archives – half a century of historic recordings of pivotal events and people
- Distribution via satellite
- Distribution via AudioPort.org, our web site for on-demand broadcast quality files and live streaming. You can also self-upload your content for distribution and store your sound content on-line in secure areas.
- Program exchanges, production collaboration and participation in network-wide special programs
- Operations and technical assistance and production support
- Promotional support and proven fund raisers from Pacifica on CDs with detailed instructions
- Administrative and distribution support for your station's management and producer

...for one affordable price

Pacifica affiliation is affordable and flexible. You get all these services for one low price with no added charges. You use just the services you want with no obligation and no hidden costs.
